Dear Commack Ambulance Supporter:

The Commack Volunteer Ambulance Corps ("CVAC") is a volunteer not-for-profit community ambulance service that provides pre-hospital emergency care and transportation to the residents covering the **Commack Fire Department area, parts of Hauppauge, Smithtown, Elwood and East Northport** as well as supporting other ambulance/fire departments as mutual aid for over 50 years. We operate 5 Advanced Life Support Ambulances and 6 Advanced Life Support First Responder Vehicles on a 24/7 basis. With over 3,700 alarms a year, our in-house crews provide superior response time to ambulance calls with highly trained and motivated emergency medical personnel. Commack Ambulance is considered one of the finest EMS organizations in Suffolk County and that is because of our members. We were awarded Suffolk County EMS Agency of the Year for 2016.

We are proud to announce that CVAC will be holding their **8th Annual Run For Your Life 5k Run/Walk on Saturday, August 10, 2019, at the Sawmill Intermediate School in Commack, New York**. We are expecting approximately 250 participants to take part on August 10th. This event will afford you a unique opportunity to give back to a wonderful community organization while also generating brand exposure and goodwill for your company.

We are requesting your support in donating any products and/or services that can be used to support CVAC and the runners during this event. Your company will be represented on our promotional material and media campaigns. I would also be happy to provide information on how you and your company can support through sponsorship. Your consideration is greatly appreciated.

Thank you in advance for your support. Should you have any questions please contact our race committee at 5k@commackambulance.org.

Sincerely,

Karen Moks
